DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

Regarding the Notice of Fee Deficiency mailed August 23, 2006 and applicant's letter of September 21, 2006, it appears that applicant does not understand that pending claims that are withdrawn from consideration are still pending claims. Therefore, the Notice of Fee Deficiency is correct. Applicant needs to remit the fee in order to avoid abandonment. The time period for response remains running from the Notice of Fee Deficiency mailed August 23, 2006.

Any inquiry concerning this communication should be directed to Eric Keasel at telephone number (571) 272-4929, who can normally be reached Monday-Friday. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
